PROVISIONS

1. Allows an eligible dependent child to receive cash assistance during the period in which the dependent child is in the legal custody of DCS, a tribal court, or a tribal child welfare agency located in this state and is placed in unlicensed kinship foster care with a non-parent relative.
2. Requires DES to allow cash assistance for an otherwise eligible child who meets one of the following:
 - a. The court has placed the child with a non-parent relative.
 - b. The child's parents are deceased and the child is living with a non-parent relative.
 - c. A non-parent relative has custody of the child because the child is abandoned.
3. Makes technical and conforming changes.

CURRENT LAW

A.R.S. § 46-292 (H) states that a dependent child or children who are born during one of the following time periods are not eligible for assistance. These periods include:

1. The period in which the parent or other relative is receiving assistance benefits.
2. The temporary period in which the parent or other relative is ineligible pursuant to a penalty imposed by the department for failure to comply with benefit eligibility requirements, after which the parent or other relative is eligible for a continuation of benefits.
3. Any period after November 1, 1995 that is less than sixty months between a voluntary withdrawal from program benefits or a period of ineligibility for program benefits which immediately followed a period during which program benefits were received and a subsequent reapplication and eligibility approval for benefits.
